Dear RCA Member

Re: Hosting the 2013 RCA Canadian Masters Championships

I am pleased to provide you with a package of information about hosting and bidding to hold the 2013 Rowing Canada Aviron Canadian Masters Championships regatta (RCA CMC). The interest in masters rowing continues to grow across the country and the RCA CMC is an excellent way to help celebrate this growth and for your club to experience hosting a Canadian National Regatta.

The attached documents include the Hosting and Bid Guidelines and Technical Package for the CMC. Also enclosed is an order of events template developed by the Victoria City Rowing Club, the host of the successful 2009 and 2011 championships.

If your club is considering bidding for the 2013 CMC, please note the following timelines:

- Bids are due **Tuesday, January 31, 2012**. Submissions received after this date will not be considered.
- The successful bidder will be contacted the week of April 22, 2012. The 2013 host will be expected to have representation at the 2012 CMC in Montreal August 24 – 26 to promote the 2013 event.

If you should have any questions on the attached package, please contact Domestic Development Officer – Sport Technical, Dave Derry at 905-682-1747 (office) dderry@rowingcanada.org

The CMC is an important event in RCA's Canadian Sport For Life plan and I would encourage clubs to consider hosting this fun regatta.

Yours in rowing
