CanAmMex Coxswain Nominations

RCA apologizes for the delay in naming the coxswains for CanAmMex but we felt it was important to be thorough in reviewing resumes, speaking to references, listening to the audio tapes and following up with missing or incomplete information. It was a strong field of applicants which made selection difficult and furthered the need to be thorough.

Thank you for your patience, and good luck to those that did not get selected with your summer of rowing, and since many of you have additional years of eligibility, we hope to hear from you again.

The following coxswains are nominated to the 2009 CanAmMex team:

Nikki Morrison – Leander Boat Club

Ryan Sanders – St Catharines Rowing Club

To confirm your spot on the CanAmMex team, please email Jarret Poitras at poitras@rowingcanada.org no later than Wednesday, June 24th.

Assessment fee payment can be made by clicking on the following link:
