

## RCA Canadian Masters Championships

## • REGATTA UPDATE • Friday, June 28th, 2007

Here are a few regatta updates to note:

### REGATTA SOUVENIRS

As it is drawing closer to the regatta, we have been receiving many communications from potential participants. This is great news because this means there will be some exciting racing and fun times. However, we do have a limited number of specially ordered regatta souvenirs. Souvenirs will be given to the first 500 registrants. So get those entries in well in advance to the deadline of August 3rd to ensure a Regatta Souvenir. Those who register after the first 500 will receive a T-shirt with the regatta logo.

### ROWING ART SHOW and SILENT AUCTION

The number of artists committed on contributing to the Regatta Art Show and Silent Auction is growing. The art will be displayed on the Friday night at the Regatta BBQ, and Saturday at the Regatta. Bidding will close at 4 pm on Saturday, August 18th. Regatta participants will have a chance to meet the Artists at the Welcome BBQ.

### CRAFTSBURY OUTDOOR CENTRE GIFT CERTIFICATE

The Craftsbury Outdoor in Vermont has contributed a gift certificate for one of their sculling camps for the lucky rower who wins a draw that will be held on Sunday, August 19, 2007.

### GOING TO A GREEN REGATTA

The Regatta Committee has been dedicated to make this a "green" regatta. On our website we have posted our vision, what we are doing to make this a "green" regatta: including reducing CO<sub>2</sub> emissions, reducing waste at the BBQ and Concession and encouraging "green" transportation choices. We have also included a section on what you as a participant can do: including making your trip "carbon neutral", reducing your CO<sub>2</sub> emissions (and parking hassles!), using tap water instead of bottled water, and helping us recycle.

For more information check out:
